My name is Beth Cohan I live at 167 Worcester Street. The Grafton Grill is a neighbor, I can see them from my windows. I am in favor of granting both of their requests before the Board. They are a great small business, family friendly with great food, and like so many restaraunts, they need our help to survive the pandeminc. The structure already exists on the lot, so adding to it to make the business viable during the pandemic and after does not alter the character of the lot or neighborhood and given the pandemic it would be a hardship if the zoning by-law were to be literally enforced. I ask that the requests of the Grafton Grill be approved.

Thank you.
